UPDATE REGARDING CORONAVIRUS

We're Here for You

Dear Valued Partner,

All of us are closely monitoring the global spread of the coronavirus disease (COVID-19) and understand the concern and uncertainty you may be experiencing during this difficult time. Our primary focus continues to be the safety and well-being of our team members and customers.

We're Here to Help You

You can rest assured, we're prepared to support you and will continue to deliver the very best insurance experience, products and services.

Following the safety suggestions recommended for eliminating the spread of the virus, most of our team members are working remotely. Over the last few years, your Risk Insurance Brokers team has worked hard to make sure that an event like this doesn't result in a disruption in your services. During this time, we will continue our usual operations including processing submissions, quoting and issuing policies and general servicing of our accounts.

Safety Is Our Priority

Along with transitioning to work from home, all business travel has been cancelled or postponed, and we are taking other exposure precautions to keep everyone safe.

If you have any questions, please contact your Risk Insurance Broker representative. As always, we're happy to help. Together, we'll get through this and we hope everyone remains safe!

Sincerely,

Risk Insurance Brokers
